PRESENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 16 d'août 1906, du ministre de l'Intérieur, soumettant, au sujet de l'arrêté en conseil du 17 de février 1899 relatif à certains échanges de terres avec la province du Manitoba,—les dites terres y mentionnées comme étant cédées ou devant être cédées par la province étant des terres classées comme terrains marécageux en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada,—l'état de compte courant avec la province qui accompagne le dit arrêté en conseil :—

Réserve des Bois d'épinette blanche.

Total des terrains marécageux dans la réserve.....	30,674.65 ac.	
Partie retenue par la province à l'extrémité Est de la réserve d'après la liste y attachée...	4,592.87 ac.—26,081.78	

Terres ailleurs au Manitoba.

Recédé au Dominion, aucunes terres n'ayant été choisies par la province.....	1,690.10	
A recéder au Dominion par la province pour des fins de homestead.	1,222.61	
Etendue requise pour les Galiciens dans le district de Brokenhead..	4,160.00	
Etendue de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais non disponibles pour être transférées au Manitoba, ayant été soit inscrites soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	48,470.00	
Pour compenser à ce qui précède la province doit recevoir les terres désignées dans la liste A.....		12,194.81
Liste B.....		8,000.10
Liste C.....		5,210.80
Liste D (bois d'épinette blanche)...		20,099.70
Liste E.....		30,120.00
	81,624.49	81,625.59

Le Ministre soumet, de plus, que depuis la date du dit arrêté en conseil du 17 de février 1899, le titre à toutes les terres qui y sont mentionnées comme terrains marécageux requis par le gouvernement, a été attribué au Dominion.

Que l'étendue totale recédée au Dominion par la province pour la Réserve des bois d'épinette blanche, est de 25,466.39 acres.

Qu'il existe de nombreux cas où la province a recédé des terres dont le titre lui avait été attribué

comme terrains marécageux, afin de permettre au Dominion d'accorder des homesteads, mais dans chacun de ces cas une étendue équivalente fut alors attribuée à la province, de façon que dans ces cas l'échange fut immédiatement clos. Une liste complète de toutes les terres recédées au Dominion pour homesteads, mais pour lesquelles aucun échange n'a eu lieu, a été préparé, et après en avoir retranché certaines terres recédées pour les Galiciens dans le district de Brokenhead, et qui sont traitées séparément plus loin, l'étendue totale pour laquelle la province a droit à une compension sous ce chef, est de 3,590.48 acres.

Qu'il a été recédé pour les Galiciens dans le district de Brokenhead, une étendue totale de 3,528.88 acres.

Le Ministre dit que dans l'état de compte cité plus haut avec le gouvernement du Canada, d'après l'arrêté en conseil du 17 de février 1899, il existe un item de 48,470 acre de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais que l'on disait n'être pas alors disponibles pour transfert à la province, pour la raison qu'elles étaient soit inscrites pour homesteads soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*. Cet état de compte était censé comprendre des terres examinées jusqu'à la afin de la saison de 1896, et afin de s'assurer lesquelles de ces terres non encore transférées à la province tombaient dûment sous ce chef, un examen soigneux a été fait des archives du ministère, et il a été constaté que l'étendue exacte à laquelle la province avait droit comme compensation était de 42,397.09 acres,

Que par arrêté en conseil daté le 15 de mai 1894, le titre à certaines terres non comprises dans l'état de compte ci-dessus cité de l'arrêté en conseil du 17 de février 1899, a été attribué à la province en échange partiel de certaines terres dont le titre avait été attribué à la province comme terrains marécageux, mais étant des sections impaires incluses dans la réserve de la ligne mère de chemin de fer Canadien du Pacifique, cette compagnie réclama priorité de droit à ces terres, et un arrangement fut effectué avec la province par lequel le titre fut recédé au Dominion afin que les lettres patentes fussent émises à la Compagnie du chemin du fer Canadien du Pacifique. Par arrêté en conseil daté le 4 de juin 1902, le titre à certaines terres additionnelles fut attribué à la province sous ce chef. L'étendue totale recédée à la province sous ce chef est de 6,547.76 acres (recédées au Dominion par des arrêtés en conseil provinciaux datés le 26 juin 1894, et 28 août 1901), et l'étendue totale cédée à la province en échange est de 6,611.48 acres, indiquant un excédent d'étendue cédée à la province sous ce chef (tel qu'énoncé dans le dit arrêté en conseil daté le 4 juin 1894) de 63.72 acres, et il fut convenu que cet excédent d'étendue serait porté au crédit de la province à compte du prochain échange.

Le Ministre représente que, à compte de l'échange mentionné dans le dit arrêté daté le 17 de février 1899, il a été cédé à la province par arrêté en conseil daté le 18 d'août 1899 une étendue de 26,098.29 acres, et par arrêté en conseil daté le 26 mai 1900 une étendue totale de 31,378.10 acres, et par le dit arrêté du 26 mai 1900, il fut décrété que le titre à certaines terres qui n'avaient pas encore été arpentées et qui avaient été réservées par le dit arrêté en conseil du 17 février 1899, pour être offertes à la province relativement à ces échanges, serait attribué à la province lorsque ces terres seraient arpentées. En vertu de l'*Acte des réserves forestières*, passé dans le cours de la dernière session du parlement fédéral, quelques-unes de ces terres ne sont pas transférables, étant situées dans la Réserve forestière de la Montagne du Canard.

L'étendue totale actuellement transférable à la province des terres réservées pour offrir à la province par le dit arrêté en conseil du 17 février 1899, est de 13,137 acres, et sont les terres dans la liste A ci-jointe. L'addition de cette étendue de 13,137 acres aux étendues données plus haut comme ayant été déjà cédées à la province sous ce chef indique qu'il reste encore une balance de 4,305.73 acres à trouver quelque part pour compléter l'étendue qui revient à la province à compte de ces échanges.

L'état de compte précité du dit arrêté en conseil daté le 17e jour de février 1899, devrait être aujourd'hui comme ci-dessous :—

TERRAINS MARÉCAGEUX, MANITOBA.

Etat quant aux échanges jusqu'au 1er de janvier 1907.

Réserve des bois d'épinette blanche.

Etendue totale des terres transférées à la province comme terrains marécageux, mais plus tard recédées par la province au Dominion pour la susdite réserve..	25,466.39

Terres situées ailleurs qu'au Manitoba.

Etendue totale des terres transférées à la province comme terrains marécageux ou à compte de terrains marécageux, mais recédées au Dominion par la province pour des homesteads (sauf dans les cas où il y a eu compensation pour ces terres par le transfert à la province d'une étendue équivalente, et sauf l'étendue recédée pour les Galiciens dans le district de Brokenhead).....	3,590.48
Etendue totale recédée pour les Galiciens dans le district de Brokenhead.....	3,528.88
Etendue de terres choisies par les Commissaires des terrains marécageux de temps à autre (jusqu'à la fin de la saison de 1896), mais non disponibles pour transfert au Manitoba, ayant été soit inscrites pour homesteads soit concédées ou autrement disposées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	42,397.09
	74,982.84
Ajouter étendue (sections impaires) transférées à la province dans la Réserve de la ligne mère du chemin de fer Canadien du Pacifique, mais recédées au Dominion afin que des lettres patentes fussent émises à la Compagnie du chemin de fer Canadien du Pacifique....	6,547.76
	81,530.60

En compensation la province a reçu des terres comme ci-dessous :—

	Acres.	
Par A. C. 18 août 1899 (Liste B)	25,098.29	
" " 26 mai 1900 (Liste A)	11,881.10	
" " " " (Liste B)	8,000.16	
" " " " (Liste C)	5,210.80	
" " " " (Liste B)	6,286.04	
Ajouter l'étendue de terres transférables à la province et que l'on propose aujourd'hui de transférer à la province, étant une partie des terres décrites dans le dit arrêté en conseil du 26 mai 1900, comme devant être transférées à la province une fois arpentées.....	13,137.00	
	70,613.39	
Ajouter l'étendue cédée à la province par arrêté en conseil du 15 mai 1894, (5,971.48) et arrêté en conseil du 4 juin 1902, (640) à compte des terres recédées pour la Compagnie du chemin de fer Canadien du Pacifique.....	6,611.48	
	77,224.87	
Etendue requise pour clore cet échange avec la province.....	4,305.73	
Total.....	81,530.60	81,530.60

Le Ministre recommande donc que le titre à toutes les terres dans la dite liste "A" soit attribué à Sa

Majesté le Roi Edouard Sept, pour les fins de la province du Manitoba, à compte des dits échanges, et que la province reçoive une autre étendue de 4,305.73 acres pour clore les échanges dont il est question aux présentes, à même les terres fédérales disponibles dans la province du Manitoba.

Le comité soumet ce qui précède à l'approbation.

JOHN McGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 14e jour de janvier 1907.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un mémorandum daté le 5 de janvier 1907, du ministre de l'Intérieur, soumettant,—relativement à certaines terres couvrant une étendue collective de 85,569.82 acres, et spécialement décrites dans la liste "A" lesquelles furent incluses dans des rapports conjoints datés antérieurement au 1er de janvier 1907, des Messieurs Wagner et Crawford, les commissaires chargés de faire un choix de terrains marécageux dans la province du Manitoba à être octroyées à la province en vertu des dispositions de l'article 4 du chapitre 47 des Statuts revisés du Canada, les dits rapports étant daté respectivement le 16 février 1888, 22 décembre 1888, 26 janvier 1891, 15 mars 1892, 19 février 1894, 15 décembre 1894, 31 mars 1896, 23 février 1896, et 31 décembre 1896,—que lorsque le ministre de l'Intérieur eut à s'occuper de ces terres dans l'intention de transférer à la province celles des terres que les dits commissaires prononçaient libres et disponibles pour cet objet, selon les dossiers du ministère, l'on s'aperçut que les terres comprises dans la liste "A" n'étaient pas disponibles pour être transférées parce qu'elles n'étaient pas arpentées ou qu'elles étaient comprises dans des concessions de coupes de bois, ou pour d'autres raisons.

Le Ministre dit que l'arpentage de celles de ces terres qui n'étaient pas arpentées ayant été complété, et les droits acquis en vertu de concessions de coupes de bois, étant éteints, et les raisons pour lesquelles le transfert n'avait pas été fait dans les autres cas étant de nul effet pour empêcher le transfert, il semble ne plus exister de raison pour quoi ces terres ne seraient pas immédiatement transférées à la province.

Le Ministre recommande donc que le titre aux dites terres énumérées dans la liste "A" soit attribué à Sa Majesté le Roi Edouard VII, pour les fins de la province du Manitoba, en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada.

Le comité soumet ce qui précède à l'approbation.

JOHN J. McGEE,
Greffier du Conseil privé.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en mai propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt,* ou une *compagnie industrielle,* sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, là ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

RODOLPHE BOUDREAU,
37–4 Acting Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of February, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 12th February, 1907, from the Minister of Marine and Fisheries, stating that the Yale and New Westminster Pilotage District was divided and new districts created, one called the Pilotage Authority of the District of Vancouver and the other the Pilotage Authority of the District of New Westminster. The Commissioners of the Vancouver Pilotage District adopted the by-laws of the Yale and New Westminster Pilotage Authority, with the exception of some amendments which were submitted to the Justice Department and considered in accordance with The Pilotage Act. The amendments were approved by Order in Council, but it is the opinion of the Department of Justice that the by-laws as a whole should be approved and be published in the *Canada Gazette*.

The Minister therefore recommends that the whole of the by-laws as submitted by the Vancouver Pilotage Authority be approved and that the Order in Council of the 19th January, 1907, be cancelled as the by-laws and regulations have become a new set of by-laws for the Pilotage Authority of Vancouver.

The Committee submit the same for approval.

THE Governor General in Council is pleased to order that,—in virtue of the provisions of section 849 of chapter 113 of the Revised Statutes of Canada, 1906, intituled "The Canada Shipping Act", with a view to regulating the movement of vessels in the waters of the Port of Sarnia, in the Province of Ontario,—the limits of the said Harbour be extended southward so as to include all the waters of the River St. Clair, and of its several outlets into Lake St. Clair, including any dredged channels, east of the International Boundary line between Canada and the United States of America.

35-3 Acting Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 14th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 5th January, 1907, from the Minister of the Interior, submitting with reference to certain lands comprising an aggregate area of 85,569.82 acres, and particularly described in Schedule "A" which were included in joint reports dated prior to 1st January, 1897, of Messrs. Wagner and Crawford, the Commissioners for the purpose of making a selection of swamp lands in the Province of Manitoba to be granted to the Province under the provisions of section 4 of chapter 47, Revised Statutes of Canada, the said reports being dated respectively 16th February, 1888, 22nd December, 1888, 26th January, 1891, 15th March, 1892, 19th February, 1894, 15th December, 1894, 31st March, 1896, 23rd February, 1896, and 31st December, 1896, that when the lands comprised in these reports were being dealt with in the Department of the Interior with a view to the transfer to the Province of such lands so reported by the said Commissioners as were found to be clear and available for the purpose, according to Departmental records, the

lands comprised in the said Schedule "A" were found not to be available for transfer because unsurveyed, or included in timber berths under license or permit, or otherwise not available.

The Minister states that the survey of such of these lands as were unsurveyed having now been completed and the rights under the timber licenses or permits having expired, and the reasons for which the transfer was not made in the remaining cases being also no longer operative to prevent the transfer, there appears to be now no reason why these lands should not be forthwith transferred to the Province.

The Minister therefore recommends that title to the said lands enumerated in Schedule "A" be vested in His Majesty King Edward the Seventh for the purposes of the Province of Manitoba, under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Department of the Interior,
Ottawa, 5th January, 1907. 34-4

[Ref. 3,374.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 29th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 20th September, 1906, from the Minister of the Interior, stating that in the regulations which are now in force governing the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and what was formerly the North West Territories, excepting the Yukon Territory, provision is made whereby the lessee and all persons in his employ engaged in dredging upon such rivers are required to take out free miner's certificates in the manner provided for in the regulations governing placer mining in the Yukon Territory.

The Minister further states that provisions which are similar in their effect with respect to the obtaining of free miner's certificates by lessees, locatees and other grantees, are contained in other regulations now in force which respectively govern hydraulic mining locations under lease in the Yukon Territory, mining by dredging in that Territory, and placer mining in Manitoba and what was formerly the North West Territories.

The Minister observes that under the Act passed at the last session of Parliament, entitled "An Act respecting Mining in the Yukon Territory", no provision is made for the issue of free miner's certificates, It has therefore been decided that from the first of August, 1906, the date upon which the above Act came into force, there has been no necessity for any person or company then or thereafter engaged or about to engage in any kind of mining under the control of the Minister of the Interior to obtain or renew a free miner's certificate.

The Minister recommends that the foregoing conclusions be approved, and further that the Minister of the Interior be authorized to have refunded to the payee any moneys paid for a free miner's certificate, or for the renewal thereof, in the case of every such certificate or renewal bearing date on or after the first day of August, 1906.

The Committee submit the same for approval.

JOHN J. McGEE,
34-4 Clerk of the Privy Council.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Minister of the Interior, advise that the Order in Council of the 27th of October, 1906, authorizing the leasing of certain lands adjacent to Lake Manitoba, to the Oak Point Shooting Club, be cancelled.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 16th August, 1906, from the Minister of the Interior, submitting, with reference to the Order in Council of the 17th February, 1899, relating to certain exchanges of lands with the Province of Manitoba, the lands therein referred to as being surrendered or to be surrendered by the Province, being lands which had been classed as swamp lands under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada, the following statement of account with the Province which accompanies this Order in Council :—

Spruce Woods Timber Reserve.

Total swamp lands in Reserve.....30,674.65 ac.		
Portion retained by province at Eastern end of Reserve as per list attached.....	4,592.87 ac.	26,081.78

Lands elsewhere in Manitoba.

Revested in the Dominion, no lands having been selected therefor by the Province....	1,690.10	
To be revested in the Dominion by the Prov. for entry purposes.....	1,222.61	
Area required for Galicians in the Brokenhead District....	4,160.00	
Area of lands selected by the Swamp Lands Commissioners from time to time but not available for transfer to Manitoba having been either entered for or patented subsequent to the passing of the Swamp Lands Act.....	48,470.00	
To compensate for the above the Province is to receive the lands designated in List A...		12,194.81
List B.....		8,000.16
List C.....		5,210.80
List D. (Spruce Woods).....		26,099.79
List E.....		30,120.00
	81,624.49	81,625.56

The Minister further submits that since the date of the said Order in Council of the 17th February, 1899, the title to all the lands therein referred to as being swamp lands required by the Dominion Government has been vested in the Dominion.

That the total area revested by the Province in the Dominion for the Spruce Woods Forest Reserve is 25,466.39 acres.

That there have been a considerable number of cases in which the Province has revested lands, the title to which had passed to it as swamp lands, for the purpose of allowing the Dominion to grant homestead entry therefor, but in many of these cases an equivalent area was at the time passed to the Province so that in such cases the exchange was at once closed out. A complete list of all lands revested in the Dominion for homesteaders and as to which no exchange has been granted has been prepared and after excluding therefrom certain lands revested for Galicians in the Brokenhead District, and which are dealt with separately hereunder, the total area for which the Province is entitled to compensation under this head is 3,590.48 acres.

That there was revested for Galicians in the Brokenhead District a total area of 3,528.88 acres.

The Minister states that in the above quoted statement of account with the Manitoba Government from the Order in Council of the 17th February, 1899, there is an item of 48,470 acres of lands selected by the Swamp Lands Commissioners from time to time but stated to be then not available for transfer to the Province, having been either entered for or patented subsequent to the passing of the Swamp Lands Act. This statement was intended to include lands examined to the end of the season of 1896, and of such lands not yet transferred to the Province, a careful examination of the records of the Department has been made so as to ascertain those which should properly be included under this head, and the correct area for which the Province was to be given an equal area in lieu has been found to be 42,397.09 acres.

That by Order in Council dated 15th May, 1894, the title to certain lands not included in the above quoted statement from the Order in Council of the 17th February, 1899, was vested in the Province in part exchange for certain lands the title to which had been vested in the Province as Swamp Lands, but being odd-numbered Sections within the Canadian Pacific Railway Company's Main Line Subsidy Reserve that Company claimed the prior right to these lands and an arrangement was effected with the Province by which the title was revested in the Dominion in order that patents might be issued to the Canadian Pacific Railway Company. By Order in Council dated 4th June, 1902, the title to certain additional lands was vested in the Province on this account. The total area revested by the Province on this account is 6,547.76 acres (revested in the Dominion by Provincial Orders in Council dated June 26th, 1894, and August 28th, 1901) and the total area vested in the Province in exchange is 6,611.48 acres, showing an excess area vested in the Province on this account (as stated in the said Order in Council dated 4th June, 1894,) of 63.72 acres, which excess area it was agreed was to be carried forward to the credit of the Province on account of the next exchange.

The Minister represents that on account of the exchange referred to in the said Order dated 17th February, 1899, there has been vested in the Province by Order in Council dated 18th August, 1899, an area of 26,098.29 acres, and by Order in Council dated 26th May, 1900, a total area of 31,378.10 acres, and by the said Order of the 26th May, 1900, the title to certain lands which were then unsurveyed and which had been reserved by the said Order in Council of 17th February, 1899, for offer to the Province in connection with these exchanges was ordered to be passed to the Province when the lands were surveyed. Under the Forest Reserve Act passed during the last session of the Dominion Parliament, some of these lands are however not available for transfer being within the Duck Mountain Forest Reserve.

The total area of land now available for transfer to the Province of the lands reserved for offer to the Province by said Order in Council of 17th February, 1899, is 13,137 acres, and being the lands in schedule A attached hereto. The addition of this area of 13,137 acres to the areas above referred to as having been already vested in the Province on this account shows that there is left a balance of 4,305·73 acres yet to be found elsewhere to complete the area due to the Province on account of these exchanges.

The statement of account quoted above from the said Order in Council dated the 17th day of February, 1899, should now be properly stated as follows :—

Total area revested for Galicians in the Brokenhead District		3,528.88

	77,224.87	
Area yet required to close out this exchange with the Province	4,305.73

The Minister therefore recommends that title to all the lands in said schedule "A" be vested in His Majesty Kind Edward the Seventh for the purposes of the Province of Manitoba on account of the exchanges referred to, and that the Province be compensated in a

further area of 4,305.73 acres to close out the exchanges referred to herein from available Dominion Lands in the Province of Manitoba.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent. "

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893.*

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(*1*) The petitioner's residence at the time of service

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît au Gouverneur général en conseil d'ordonner, que cette partie de l'arrêté en conseil du 16 de mai 1906 qui modifie les règlements concernant l'octroi de licences et de permis pour couper du bois de construction sur les terres fédérales, établis par arrêté en conseil du 1er de juillet 1898, à l'effet d'admettre que des permis soient accordés sans concurrence pour couper du bois de construction sur des étendues n'excédant pas un mille carré,—soit et il est par le présent rescindé, et remplacé par ce qui suit :—

1. Dans les provinces du Manitoba, Saskatchewan et Alberta, le ministre de l'Intérieur pourra—

(*a*) accorder aux propriétaires de scieries la permission d'abattre du bois de construction sur des étendues de terre n'excédant pas un mille carré dans chaque cas, y compris l'emplacement de la scierie, moyennant paiement d'avance d'un droit de cent piastres ($100), et à la condition que le permissionnaire ait une scierie en opération sur l'étendue couverte par le permis sous trois mois à compter de la date du permis. Le permis spécifiera la quantité de bois de construction qui pourra être coupée en vertu d'icelui, et, vu que l'objet du présent règlement est de procurer un approvisionnement de bois aux colons, cette quantité doit être suffisante, de l'avis du ministre de l'Agriculture, pour justifier l'octroi du privilège.

(*b*) accorder des permis d'abattre du bois pour servir de combustible, de perches de clôture ou de poteaux de télégraphe, sur des étendues de terre ne devant excéder le quart d'un mille carré dans chaque cas, moyennant paiement d'avance d'un droit de vingt-cinq piastres ($25), pourvu—

(*a*) que personne ne pourra obtenir plus qu'un permis à la fois ;

(*b*) qu'un permis ne sera pas transférable ;

(*c*) qu'un permis ne sera pas pour un plus long temps qu'une année ;

(*d*) qu'un permis ne sera renouvelable que pour l'année ensuivante, et pour ce renouvellement il faudra payer le droit fixé par le présent comme payable avant la délivrance du permis.

2. Le permissionnaire devra, immédiatement à l'expiration de la période pour laquelle le permis est accordé, le transmettre à l'agent des bois du district, accompagné d'un état du bois abattu, cet état sera attesté par serment par lui ou par son agent ou employé bien au fait des opérations faites en vertu du permis, et, si le permis est renouvelé, il devra, immédiatement à l'expiration de la période pour laquelle il est renouvelé, le transmettre à l'agent des bois du district, accompagné d'un état comme susdit ; et il fera, de temps à autre, tant que durera le permis ou son renouvellement, tels autres états, attestés comme susdits, que le ministre de l'Intérieur exigera.

3. Le bois abattu en vertu du paragraphe (*a*) de la clause 1 du présent arrêté en conseil sera assujéti au paiement de droits au taux fixé par le paragraphe (*c*) de l'article 2 des règlements établis par l'arrêté en conseil du 1er de juillet 1898. Tout autre bois abattu en vertu du présent arrêté en conseil sera soumis aux droits fixés par arrêté en conseil pour les espèces de bois ainsi abattu.

4. Le permissionnaire tiendra les comptes et les registres de ses opérations en vertu du permis que le ministre de l'Intérieur prescrira, et ces comptes et registres seront en tous temps ouverts à l'inspection de l'agent des bois ou du garde-forestier, ou de toute autre personne autorisée à cet effet par le ministre de l'Intérieur.

5. Le permissionnaire devra—

(*a*) empêcher tout gaspillage du bois durant l'abattage ;

(*b*) empêcher toute destruction inutile du bois debout qui n'est pas de l'espèce, ou n'a pas atteint la grosseur, ou ne convient pas aux fins décrites dans le permis ; et

(*c*) exercer une surveillance stricte et constante pour prévenir l'origine et la propagation des feux, et devra se conformer, tant que durera le permis et tout renouvellement d'icelui, à tous les règlements établis à cet égard par le Gouverneur en conseil, et à toutes les lois et tous règlements à cet égard en vigueur dans toute province ou tout territoire dans lequel est située la terre couverte par le permis.

6. Tout défaut de se conformer aux termes ou conditions auxquels un permis est délivré, rendra ce permis passible de confiscation sur l'ordre du ministre de l'Intérieur.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mardi, le 8e jour de janvier 1907.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 16 d'août 1906, du ministre de l'Intérieur, soumettant, au sujet de l'arrêté en conseil du 17 de février 1899 relatif à certains échanges de terres avec la province du Manitoba,—les dites terres y mentionnées comme étant cédées ou devant être cédées par la province étant des terres classées comme terrains marécageux en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada,—l'état de compte courant avec la province qui accompagne le dit arrêté en conseil :—

Réserve des Bois d'épinette blanche.

Total des terrains marécageux dans la réserve.....	30,674.65 ac.	
Partie retenue par la province à l'extrémité Est de la réserve d'après la liste y attachée...	4,592.87 ac.—	26,081.78

Terres ailleurs au Manitoba.

Recédé au Dominion, aucunes terres n'ayant été choisies par la province.....	1,690.10	
A recéder au Dominion par la province pour des fins de homestead.	1,222.61	
Etendue requise pour les Galiciens dans le district de Brokenhead..	4,160.00	
Etendue de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais non disponibles pour être transférées au Manitoba, ayant été soit inscrites soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	48,470.00	
Pour compenser à ce qui précède la province doit recevoir les terres désignées dans la liste A.....		12,194.81
Liste B.....		8,000.10
Liste C.....		5,210.80
Liste D (bois d'épinette blanche)...		20,099.70
Liste E.....		30,120.00
	81,624.49	81,625.59

Le Ministre soumet, de plus, que depuis la date du dit arrêté en conseil du 17 de février 1899, le titre à toutes les terres qui y sont mentionnées comme terrains marécageux requis par le gouvernement, a été attribué au Dominion.

Que l'étendue totale recédée au Dominion par la province pour la Réserve des bois d'épinette blanche, est de 25,466.39 acres.

Qu'il existe de nombreux cas où la province a recédé des terres dont le titre lui avait été attribué comme terrains marécageux, afin de permettre au Dominion d'accorder des homesteads, mais dans chacun de ces cas une étendue équivalente fut alors attribuée à la province, de façon que dans ces cas l'échange fut immédiatement clos. Une liste complète de toutes les terres recédées au Dominion pour homesteads, mais pour lesquelles aucun échange n'a eu lieu, a été préparé, et après en avoir retranché certaines terres recédées pour les Galiciens dans le district de Brokenhead, et qui sont traitées séparément plus loin, l'étendue totale pour laquelle la province a droit à une compension sous ce chef, est de 3,590.48 acres.

Qu'il a été recédé pour les Galiciens dans le district de Brokenhead, une étendue totale de 3,528.88 acres.

Le Ministre dit que dans l'état de compte cité plus haut avec le gouvernement du Canada, d'après l'arrêté en conseil du 17 de février 1899, il existe un item de 48,470 acre de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais que l'on disait n'être pas alors disponibles pour transfert à la province, pour la raison qu'elles étaient soit inscrites pour homesteads soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*. Cet état de compte était censé comprendre des terres examinées jusqu'à la afin de la saison de 1896, et afin de s'assurer lesquelles de ces terres non encore transférées à la province tombaient dûment sous ce chef, un examen soigneux a été fait des archives du ministère, et il a été constaté que l'étendue exacte à laquelle la province avait droit comme compensation était de 42,397.09 acres,

Que par arrêté en conseil daté le 15 de mai 1894, le titre à certaines terres non comprises dans l'état de compte ci-dessus cité de l'arrêté en conseil du 17 de février 1899, a été attribué à la province en échange partiel de certaines terres dont le titre avait été attribué à la province comme terrains marécageux, mais étant des sections impaires incluses dans la réserve de la ligne mère de chemin de fer Canadien du Pacifique, cette compagnie réclama priorité de droit à ces terres, et un arrangement fut effectué avec la province par lequel le titre fut recédé au Dominion afin que les lettres patentes fussent émises à la Compagnie du chemin du fer Canadien du Pacifique. Par arrêté en conseil daté le 4 de juin 1902, le titre à certaines terres additionnelles fut attribué à la province sous ce chef. L'étendue totale recédée à la province sous ce chef est de 6,547.76 acres (recédées au Dominion par des arrêtés en conseil provinciaux datés le 26 juin 1894, et 28 août 1901), et l'étendue totale cédée à la province en échange est de 6,611.48 acres, indiquant un excédent d'étendue cédée à la province sous ce chef (tel qu'énoncé dans le dit arrêté en conseil daté le 4 juin 1894) de 63.72 acres, et il fut convenu que cet excédent d'étendue serait porté au crédit de la province à compte du prochain échange.

Le Ministre représente que, à compte de l'échange mentionné dans le dit arrêté daté le 17 de février 1899, il a été cédé à la province par arrêté en conseil daté le 18 d'août 1899 une étendue de 26,098.29 acres, et par arrêté en conseil daté le 26 mai 1900 une étendue totale de 31,378.10 acres, et par le dit arrêté du 26 mai 1900, il fut décrété que le titre à certaines terres qui n'avaient pas encore été arpentées et qui avaient été réservées par le dit arrêté en conseil du 17 février 1899, pour être offertes à la province relativement à ces échanges, serait attribué à la province lorsque ces terres seraient arpentées. En vertu de l'*Acte des réserves forestières*, passé dans le cours de la dernière session du parlement fédéral, quelques-unes de ces terres ne sont pas transférables, étant situées dans la Réserve forestière de la Montagne du Canard.

L'étendue totale actuellement transférable à la province des terres réservées pour offrir à la province par le dit arrêté en conseil du 17 février 1899, est de 13,137 acres, et sont les terres dans la liste A ci-jointe. L'addition de cette étendue de 13,137 acres aux étendues données plus haut comme ayant été déjà cédées à la province sous ce chef indique qu'il reste encore une balance de 4,305.73 acres à trouver quelque part pour compléter l'étendue qui revient à la province à compte de ces échanges.

L'état de compte précité du dit arrêté en conseil daté le 17e jour de février 1899, devrait être aujourd'hui comme ci-dessous :—

TERRAINS MARÉCAGEUX, MANITOBA.

Etat quant aux échanges jusqu'au 1er de janvier 1907.

Réserve des bois d'épinette blanche.

Etendue totale des terres transférées à la province comme terrains marécageux, mais plus tard recédées par la province au Dominion pour la susdite réserve..	25,466.39

Terres situées ailleurs qu'au Manitoba.

Etendue totale des terres transférées à la province comme terrains marécageux ou à compte de terrains marécageux, mais recédées au Dominion par la province pour des homesteads (sauf dans les cas où il y a eu compensation pour ces terres par le transfert à la province d'une étendue équivalente, et sauf l'étendue recédée pour les Galiciens dans le district de Brokenhead).....	3,590.48
Etendue totale recédée pour les Galiciens dans le district de Brokenhead.....	3,528.88
Etendue de terres choisies par les Commissaires des terrains marécageux de temps à autre (jusqu'à la fin de la saison de 1896), mais non disponibles pour transfert au Manitoba, ayant été soit inscrites pour homesteads soit concédées ou autrement disposées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	42,397.09
	74,982.84
Ajouter étendue (sections impaires) transférées à la province dans la Réserve de la ligne mère du chemin de fer Canadien du Pacifique, mais recédées au Dominion afin que des lettres patentes fussent émises à la Compagnie du chemin de fer Canadien du Pacifique....	6,547.76
	81,530.60

En compensation la province a reçu des terres comme ci-dessous :—

	Acres.
Par A. C. 18 août 1899 (Liste B).	25,098.29
" " 26 mai 1900 (Liste A).	11,881.10
" " " " (Liste B).	8,000.16
" " " " (Liste C).	5,210.80
" " " " (Liste B).	6,286.04
Ajouter l'étendue de terres transférables à la province et que l'on propose aujourd'hui de transférer à la province, étant une partie des terres décrites dans le dit arrêté en conseil du 26 mai 1900, comme devant être transférées à la province une fois arpentées.....	13,137.00
	70,613.39
Ajouter l'étendue cédée à la province par arrêté en conseil du 15 mai 1894, (5,971.48) et arrêté en conseil du 4 juin 1902, (640) à compte des terres recédées pour la Compagnie du chemin de fer Canadien du Pacifique.....	6,611.48
	77,224.87
Etendue requise pour clore cet échange avec la province.....	4,305.73
Total.....	81,530.60 81,530.60

Le Ministre recommande donc que le titre à toutes les terres dans la dite liste "A" soit attribué à Sa Majesté le Roi Edouard Sept, pour les fins de la province du Manitoba, à compte des dits échanges, et que la province reçoive une autre étendue de 4,305.73 acres pour clore les échanges dont il est question aux présentes, à même les terres fédérales disponibles dans la province du Manitoba.

Le comité soumet ce qui précède à l'approbation.

JOHN McGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 14e jour de janvier 1907.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un mémorandum daté le 5 de janvier 1907, du ministre de l'Intérieur, soumettant,—relativement à certaines terres couvrant une étendue collective de 85,569.82 acres, et spécialement décrites dans la liste "A" lesquelles furent incluses dans des rapports conjoints datés antérieurement au 1er de janvier 1907, des Messieurs Wagner et Crawford, les commissaires chargés de faire un choix de terrains marécageux dans la province du Manitoba à être octroyées à la province en vertu des dispositions de l'article 4 du chapitre 47 des Statuts revisés du Canada, les dits rapports étant daté respectivement le 16 février 1888, 22 décembre 1888, 26 janvier 1891, 15 mars 1892, 19 février 1894, 15 décembre 1894, 31 mars 1896, 23 février 1896, et 31 décembre 1896,—que lorsque le ministre de l'Intérieur eut à s'occuper de ces terres dans l'intention de transférer à la province celles des terres que les dits commissaires prononçaient libres et disponibles pour cet objet, selon les dossiers du ministère, l'on s'aperçut que les terres comprises dans la liste "A" n'étaient pas dispo-

nibles pour être transférées parce qu'elles n'étaient pas arpentées ou qu'elles étaient comprises dans des concessions de coupes de bois, ou pour d'autres raisons.

Le Ministre dit que l'arpentage de celles de ces terres qui n'étaient pas arpentées ayant été complété, et les droits acquis en vertu de concessions de coupes de bois, étant éteints, et les raisons pour lesquelles le transfert n'avait pas été fait dans les autres cas étant de nul effet pour empêcher le transfert, il semble ne plus exister de raison pour quoi ces terres ne seraient pas immédiatement transférées à la province.

Le Ministre recommande donc que le titre aux dites terres énumérées dans la liste "A" soit attribué à Sa Majesté le Roi Edouard VII, pour les fins de la province du Manitoba, en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada.

Le comité soumet ce qui précède à l'approbation.

JOHN J. McGEE,
Greffier du Conseil privé.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en mai propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

AVIS est donné par le présent qu'une demande sera adressée au parlement du Canada, à sa présente session, afin d'obtenir un acte constituant en corporation une compagnie sous le nom de " The Prudential Life Insurance Company of Canada ", autorisée à faire des opérations d'une compagnie d'assurance sur la vie dans toutes ses branches.

A PROCLAMATION.

E. L. NEWCOMBE, Deputy of the Minister of Justice, Canada. } WHEREAS it is in and by Part XII of The Canada Shipping Act, chapter 113, Revised Statutes, 1906, amongst other things in effect, enacted that said Part XII shall apply to such ports only as are from time to time designated for that purpose by proclamation ;

And whereas by an order of Our Governor General in Council, bearing date the 11th day of March, A.D. 1907, the Port of St. Mary's, in the Province of Nova Scotia, is designated as a port to which said Part XII shall apply, and it is declared that the limits of the said port shall be as follows :—

DESPATCHES, Etc.

PRESENTATIONS AT COURTS.

LADIES from the Colonies who possess the requisite qualifications are at present by His Majesty the King's Commands, presented at Court by the Countess of Crewe, acting on behalf of the Countess of Elgin whose health will not permit her to attend Courts.

Ladies who are thus officially presented must be the wives or daughters of persons who have either held appointments of high rank in the public service of a Colony, or who, though not belonging to the public service are members of legislative bodies, or otherwise possess the requisite social standing in a Colony, and who really belong to, and are usually resident in, a Colony. Ladies who themselves belong by birth to a Colony but who are married to gentlemen belonging to and residing in the United Kingdom do not fall within the category of those who can be officially presented by the Countess of Crewe.

If a colonial lady is the daughter of a lady who has already herself been presented the presentation should, if possible, be made by the latter lady. Ladies who are presented at a Court by the Countess of Crewe can at the same or any subsequent Court present their daughters with the permission of the Lord Chamberlain, to whom they must make application for this purpose.

Ladies belonging to Colonies which are represented in this country by High Commissioners or Agents General should make their applications to be presented by the Countess of Crewe through the High Commissioner or Agent General representing their own Colony, who should notify them with their own recommendations to the Private Secretary, Colonial Office. The application must state the full name of the lady and the name, rank, in public service or profession and social position of the husband of the applicant, or if she has no husband, of her father, and that, to the knowledge of the High Commissioner or Agent General the lady is in every respect eligible for presentation to Their Majesties.

Each application should state the date, or approximate date, as e. g. "the first Court after Easter," of the Court at which it is desired that the presentation should be made. The dates of the Courts are seldom fixed till within a few weeks before they take place, but as a general rule there are two Courts before Easter and two at the end of May or in June, as there is a limit to the number of ladies who can be presented at each Court, it will be convenient that the names of ladies from the Colonies who wish to be presented should be sent in as early in the year as possible.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of February, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Governor General in Council is pleased to order that that portion of the Order in Council of the 16th May, 1906, which so amends the Regulations for the granting of licenses and permits to cut timber on Dominion Lands, established by Order in Council of the 1st July, 1898, as to admit of permits being granted without competition for cutting timber over areas not in excess of one square mile, shall be and the same is hereby rescinded, and the following substituted therefor :—

1. In the Provinces of Manitoba, Saskatchewan and Alberta the Minister of the Interior may grant,—

(*a*) permits to owners of mills to cut timber over tracts of land of an area in each case not exceeding one square mile, inclusive of the mill site, upon payment in advance of a fee of one hundred dollars ($100.00), and on condition that the permittee shall have a mill in operation upon the area covered by the permit within three months from the date thereof. The permit shall specify the quantity of lumber to be cut thereunder, and, as the object of this regulation is to provide a speedy supply of lumber for settlers this quantity must be sufficient, in the discretion of the Minister of the Interior, to justify the granting of the privilege.

(*b*) permits to cut timber as cordwood, fence posts or telegraph poles, or for mining purposes, over tracts of land in each case not exceeding one quarter of a square mile, upon payment in advance of a fee of twenty-five dollars ($25.00), provided that,—

(*a*) a person shall not be granted more than one permit at a time ;

(*b*) a permit shall not be transferable ;

(*c*) a permit shall not be for a longer period than one year ;

(*d*) a permit shall be renewable for only one year thereafter, for which renewal there shall be payable the fee hereby fixed as payable in advance of the issue of the permit.

2. The permittee shall immediately on the expiration of the period for which the permit is granted transmit the same to the timber agent of the district, together with a return of the timber cut thereunder, which return shall be sworn to by him or by his agent or employee conversant with the operations under the permit, and, if the permit be renewed, he shall, immediately on the expiration of the period for which the same is renewed, transmit it to the timber agent of the district, together with a return as aforesaid ; and he shall make from time to time, during the continuance of the permit or of the renewal thereof, such other returns, sworn to as aforesaid, as the Minister of the Interior may require.

3. Timber cut under the authority of subclause "*a*" of clause 1 of this Order in Council shall be subject to the payment of dues at the rates fixed by paragraph "*c*" of section 2 of the Regulations established by Order in Council of the 1st July, 1898. Any other timber cut under the authority of this Order in Council shall be subject to the payment of the dues for the classes of timber so cut which are fixed by regulations heretofore established by Order in Council for the granting of permits.

4. The permittee shall keep such accounts and records of his operations under the permit as the Minister of the Interior may from time to time direct, and such accounts and records shall at all times be open to inspection by the timber agent or forest ranger, or by any person thereunto authorized by the Minister of the Interior.

5. The permittee shall,—

(*a*) prevent any unnecessary waste of timber in the process of cutting it ;

(*b*) prevent all avoidable destruction of growing trees which are not of the kind, or have not yet attained the dimension, or are not suitable for the purpose described in the permit ; and

(*c*) exercise strict and constant supervision to prevent the origin and spread of fire, and comply, during the term of the permit and of any renewal thereof, with any and all regulations made in that respect by the Governor in Council, and with any and all laws and regulations in that respect in force in any province or territory in which the land covered by the permit is situated.

6. Failure to comply with any of the terms or conditions under which a permit issue shall render the same liable to forfeiture on the order of the Minister of the Interior.

RODOLPHE BOUDREAU,
37-4 Acting Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of February, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 12th February, 1907, from the Minister of Marine and Fisheries, stating that the Yale and New Westminster Pilotage District was divided and new districts created, one called the Pilotage Authority of the District of Vancouver and the other the

Pilotage Authority of the District of New Westminster. The Commissioners of the Vancouver Pilotage District adopted the by-laws of the Yale and New Westminster Pilotage Authority, with the exception of some amendments which were submitted to the Justice Department and considered in accordance with The Pilotage Act. The amendments were approved by Order in Council, but it is the opinion of the Department of Justice that the by-laws as a whole should be approved and be published in the *Canada Gazette*.

The Minister therefore recommends that the whole of the by-laws as submitted by the Vancouver Pilotage Authority be approved and that the Order in Council of the 19th January, 1907, be cancelled as the by-laws and regulations have become a new set of by-laws for the Pilotage Authority of Vancouver.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Acting Clerk of the Privy Council.

—

AT THE GOVERNMENT HOUSE AT OTTAWA.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Minister of Marine and Fisheries submits herewith for approval by-laws, which have been adopted by the Pilotage Commissioners for the District of Vancouver, British Columbia, and states that the by-laws have been submitted to the Deputy Minister of Justice, who finds no legal objection thereto.

The Committee recommend that the by-laws rules and regulations be approved accordingly.

RODOLPHE BOUDREAU,
Acting Clerk of the Privy Council.

—

A Pilotage Authority having been established at Vancouver in British Columbia, with juridiction extending to all parts of the Mainland Coast of British Columbia, North of New Westminster Pilotage District, the Pilotage Commissioners, with the consent of the Governor General in Council, herewith enact the following :—

BY-LAWS.

1. Every person desirous of obtaining a license as a pilot for the District of Vancouver, must make application in his own handwriting to the Pilotage Commissioners of said District, and enclose the following documents :—

(*a*) Certificates from the masters of vessels in which he has served as to his ability as a seaman, etc.

(*b*) Certificates from the Board of Trade or Master Mariners Board, as master or mate (if any).

(*c*) Statement of services from time of first going to sea, up to date.

(*d*) Certificate from last employer.

Such applicants as aforesaid must be British subjects of not less than twenty-five years of age (25),—must have resided not less than two years in the Province and be of good moral character and temperate habits.

2. Should the requirements of clause one prove satisfactory to the Pilotage Commissioners, and there being a vacancy, the applicant will be notified to appear for examination—for the cost of which the applicant must deposit with the Pilotage Commissioners the sum of twenty dollars ($20.00)—before the Examiners appointed for that purpose, who shall examine him touching his qualifications and practical knowledge of the management of square-rigged vessels and steamers under all circumstances of wind and weather, but more particularly as to his general knowledge of the navigation and pilotage of the district.

3. If, after such examination, the candidate shall be deemed by the Pilotage Commissioners to be fully qualified, he shall receive a temporary license and will be allowed to act as Pilot on probation for six months, at the expiration of which period, should his conduct prove satisfactory, his license will be confirmed upon payment of a license fee of $20 (twenty dollars.)

4. Pilotage certificates may be issued by the Pilotage Commissioners of the Vancouver District to masters and mates of vessels registered in Canada, plying regularly into the waters of said district, on application in writing to the Pilotage Commissioners at Vancouver. Such applicants must not be less than twenty-five years of age, and on passing the necessary examination and paying a fee of three hundred dollars ($300.00) a certificate to act as pilot for the term of twelve months will be granted, such certificate to specify the name of the vessel and the ports to and from which such vessel shall ply, and such certificate may be renewed from year to year on payment of the annual fee of three hundred dollars, as the Pilotage Commissioners may think fit.

Boats.

5. All boats, power launches or vessels to be licensed as pilot boats shall be surveyed by or on behalf of the Pilotage Commissioners, and if satisfactory shall be licensed for a term of twelve months on payment of a fee of five dollars each. And such boats, power launches or vessels shall renew their licenses if found satisfactory, for a term of twelve months on payment of a fee of five dollars each ($5.)

6. Licensed pilot boats, power launches or vessels shall carry one suitable boat and be equipped with one life-preserver for each pilot or person on board said pilot boat, power launch or vessel.

7. All licensed pilot boats, power launches or vessels shall have marked number to be designated by the Pilotage Authority, and all licensed pilot boats, power launches or vessels that are not properly equipped shall have their license suspended until they are fitted and equipped to the satisfaction of the Pilotage Authority.

8. Each and every person who shall be granted a license shall be a registered owner of shares in one or more pilot boats, power launches or vessels of the Vancouver Pilotage District.

9. No license shall be granted by the Vancouver Pilotage Authority to an applicant to become a pilot until he has proven to the satisfaction of the commissioners or the secretary that he is the registered owner of such shares as mentioned in By-law No. 8.

10. (37) West coast of Vancouver island — Tsusiat and Seven Mile creek — Lookouts and shelter stations established.

Shelter sheds have been established by the Government of Canada at Tsusiat and Seven Mile creek on the west coast of Vancouver island. These sheds are connected by telephone with the Government telegraph line to Victoria, and watchmen are maintained at them to promptly report vessels in danger within sight of the stations, and to render assistance in case of shipwreck.

The shelter shed at Tsusiat is located on the headland immediately west of the " remarkable waterfall " marked on the chart.

Shipwrecked mariners will find shelter and food at the shed, as well as telephone communication with Victoria and Banfield creek. The watchman will advise them as to the best means of reaching civilization.

So far as known there is no good landing near either station, and landing from a small boat except under unusually favourable conditions of weather would probably be dangerous.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

DÉPÊCHES, ETC.

PRÉSENTATIONS À LA COUR.

LES dames des colonies qui possèdent les qualités requises sont aujourd'hui, par ordre de Sa Majesté le Roi, présentées à la cour par la comtesse de Crewe, en remplacement de la comtesse d'Elgin, dont la santé l'empêche d'assister à la cour.

Les dames qui sont ainsi présentées officiellement, doivent être les épouses ou les filles de personnes qui ont été nommées à de hautes fonctions dans le service public d'une colonie ou qui, bien que ne faisant pas partie du service public, sont membres de corps législatifs, ou autrement possèdent le rang social voulu dans une colonie et qui, de fait, appartiennent et résident généralement dans une colonie. Les dames qui appartiennent à une colonie par droit de naissance, mais sont mariées à des gentilshommes appartenant et résidant dans le Royaume-Uni, ne tombent pas dans la catégorie de celles qui peuvent être officiellement présentées par la comtesse de Crewe.

Si une dame d'une colonie est la fille d'une dame qui elle-même a déjà été présentée, la présentation, si c'est possible, doit être faite par cette dernière. Les dames qui sont présentées à une cour par la comtesse de Crewe peuvent, à la même cour ou à une cour subséquente, présenter leurs filles, avec la permission du Lord Chambellan, auquel elles doivent s'adresser à cette fin.

Les dames qui appartiennent à des colonies qui sont représentées dans ce pays par des Hauts Commissaires ou des Agents Généraux, doivent demander à être présentées par la comtesse de Crewe, par l'entremise du Haut Commissaire ou de l'Agent Général représen-

tant leur propre colonie, qui doit les prévenir que leurs propres recommandations ont été adressées au Secrétaire Privé, Bureau des Colonies. La demande doit indiquer le nom au long de la dame, et le nom, le rang, dans le service public ou la profession et la position sociale de l'époux de la dame qui demande à être présentée, ou si elle n'a pas d'époux, de son père, et indiquer aussi que, à la connaissance du Haut Commissaire ou de l'Agent Général la dame est, à tous égards, digne d'être présentée à Leurs Majestés.

Chaque demande doit énoncer la date, ou date approximative, tel que "la première cour après Pâques" de la cour à laquelle on désire que la présentation ait lieu. Les dates des cours ne sont le plus souvent fixées que quelques semaines avant qu'elles aient lieu, mais règle générale il y a deux cours avant Pâques, et deux à la fin de mai ou juin ; vu que le nombre des dames qui peuvent être présentées à chaque cour est restreint il convient que les noms des dames des colonies qui désirent être présentées soient envoyés aussitôt que possible durant l'année.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil d'ordonner, que cette partie de l'arrêté en conseil du 16 de mai 1906 qui modifie les règlements concernant l'octroi de licences et de permis pour couper du bois de construction sur les terres fédérales, établis par arrêté en conseil du 1er de juillet 1898, à l'effet d'admettre que des permis soient accordés sans concurrence pour couper du bois de construction sur des étendues n'excédant pas un mille carré,—soit et il est par le présent rescindé, et remplacé par ce qui suit :—

1. Dans les provinces du Manitoba, Saskatchewan et Alberta, le ministre de l'Intérieur pourra—

(*a*) accorder aux propriétaires de scieries la permission d'abattre du bois de construction sur des étendues de terre n'excédant pas un mille carré dans chaque cas, y compris l'emplacement de la scierie, moyennant paiement d'avance d'un droit de cent piastres ($100), et à la condition que le permissionnaire ait une scierie en opération sur l'étendue couverte par le permis sous trois mois à compter de la date du permis. Le permis spécifiera la quantité de bois de construction qui pourra être coupée en vertu d'icelui, et, vu que l'objet du présent règlement est de procurer un approvisionnement de bois aux colons, cette quantité doit être suffisante, de l'avis du ministre de l'Agriculture, pour justifier l'octroi du privilège.

(*b*) accorder des permis d'abattre du bois pour servir de combustible, de perches de clôture ou de poteaux de télégraphe, sur des étendues de terre ne devant excéder le quart d'un mille carré dans chaque cas, moyennant paiement d'avance d'un droit de vingt-cinq piastres ($25), pourvu—

(*a*) que personne ne pourra obtenir plus qu'un permis à la fois ;

(*b*) qu'un permis ne sera pas transférable ;

(*c*) qu'un permis ne sera pas pour un plus long temps qu'une année ;

(*d*) qu'un permis ne sera renouvelable que pour l'année ensuivante, et pour ce renouvellement il fau

dra payer le droit fixé par le présent comme payable avant la délivrance du permis.

2. Le permissionnaire devra, immédiatement à l'expiration de la période pour laquelle le permis est accordé, le transmettre à l'agent des bois du district, accompagné d'un état du bois abattu, cet état sera attesté par serment par lui ou par son agent ou employé bien au fait des opérations faites en vertu du permis, et, si le permis est renouvelé, il devra, immédiatement à l'expiration de la période pour laquelle il est renouvelé, le transmettre à l'agent des bois du district, accompagné d'un état comme susdit ; et il fera, de temps à autre, tant que durera le permis ou son renouvellement, tels autres états, attestés comme susdits, que le ministre de l'Intérieur exigera.

3. Le bois abattu en vertu du paragraphe (*a*) de la clause 1 du présent arrêté en conseil sera assujéti au paiement de droits au taux fixé par le paragraphe (*c*) de l'article 2 des règlements établis par l'arrêté en conseil du 1er de juillet 1898. Tout autre bois abattu en vertu du présent arrêté en conseil sera soumis aux droits fixés par arrêté en conseil pour les espèces de bois ainsi abattu.

4. Le permissionnaire tiendra les comptes et les registres de ses opérations en vertu du permis que le ministre de l'Intérieur prescrira, et ces comptes et registres seront en tous temps ouverts à l'inspection de l'agent des bois ou du garde-forestier, ou de toute autre personne autorisée à cet effet par le ministre de l'Intérieur.

5. Le permissionnaire devra—

(*a*) empêcher tout gaspillage du bois durant l'abattage ;

(*b*) empêcher toute destruction inutile du bois debout qui n'est pas de l'espèce, ou n'a pas atteint la grosseur, ou ne convient pas aux fins décrites dans le permis ; et

(*c*) exercer une surveillance stricte et constante pour prévenir l'origine et la propagation des feux, et devra se conformer, tant que durera le permis et tout renouvellement d'icelui, à tous les règlements établis à cet égard par le Gouverneur en conseil, et à toutes les lois et tous règlements à cet égard en vigueur dans toute province ou tout territoire dans lequel est située la terre couverte par le permis.

6. Tout défaut de se conformer aux termes ou conditions auxquels un permis est délivré, rendra ce permis passible de confiscation sur l'ordre du ministre de l'Intérieur.

Mardi, le 8e jour de janvier 1907.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 16 d'août 1906, du ministre de l'Intérieur, soumettant, au sujet de l'arrêté en conseil du 17 de février 1899 relatif à certains échanges de terres avec la province du Manitoba,—les dites terres y mentionnées comme étant cédées ou devant être cédées par la province étant des terres classées comme terrains marécageux en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada,—l'état de compte courant avec la province qui accompagne le dit arrêté en conseil :—

Réserve des Bois d'épinette blanche.

Total des terrains marécageux dans la réserve.....	30,674.65 ac.	
Partie retenue par la province à l'extrémité Est de la réserve d'après la liste y attachée...	4,592.87 ac.	—26,081.78

Terres ailleurs au Manitoba.

Recédé au Dominion, aucunes terres n'ayant été choisies par la province.....	1,690.10	
A recéder au Dominion par la province pour des fins de homestead.	1,222.61	
Etendue requise pour les Galiciens dans le district de Brokenhead..	4,160.00	
Etendue de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais non disponibles pour être transférées au Manitoba, ayant été soit inscrites soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	48,470.00	
Pour compenser à ce qui précède la province doit recevoir les terres désignées dans la liste A.....		12,194.81
Liste B.....		8,000.10
Liste C.....		5,210.80
Liste D (bois d'épinette blanche)...		20,099.70
Liste E.....		30,120.00
	81,624.49	81,625.56

Le Ministre soumet, de plus, que depuis la date du dit arrêté en conseil du 17 de février 1899, le titre à toutes les terres qui y sont mentionnées comme terrains marécageux requis par le gouvernement, a été attribué au Dominion.

Que l'étendue totale recédée au Dominion par la province pour la Réserve des bois d'épinette blanche, est de 25,466.39 acres.

Qu'il existe de nombreux cas où la province a recédé des terres dont le titre lui avait été attribué comme terrains marécageux, afin de permettre au Dominion d'accorder des homesteads, mais dans chacun de ces cas une étendue équivalente fut alors attribuée à la province, de façon que dans ces cas l'échange fut immédiatement clos. Une liste complète de toutes les terres recédées au Dominion pour homesteads, mais pour lesquelles aucun échange n'a eu lieu, a été préparé, et après en avoir retranché certaines terres recédées pour les Galiciens dans le district de Brokenhead, et qui sont traitées séparément plus loin, l'étendue totale pour laquelle la province a droit à une compension sous ce chef, est de 3,590.48 acres.

Qu'il a été recédé pour les Galiciens dans le district de Brokenhead, une étendue totale de 3,528.88 acres.

Le Ministre dit que dans l'état de compte cité plus haut avec le gouvernement du Canada, d'après l'arrêté en conseil du 17 de février 1899, il existe un item de 48,470 acre de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais que l'on disait n'être pas alors disponibles pour transfert à la province, pour la raison qu'elles étaient soit inscrites pour homesteads soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*. Cet état de compte était censé comprendre des terres examinées jusqu'à la afin de la saison de 1896, et afin de s'assurer lesquelles de ces terres non encore transférées à la province tombaient dûment sous ce chef, un examen soigneux a été fait des archives du ministère, et il a été constaté que l'étendue exacte à laquelle la province avait droit comme compensation était de 42,397.09 acres,

Que par arrêté en conseil daté le 15 de mai 1894, le titre à certaines terres non comprises dans l'état de compte ci-dessus cité de l'arrêté en conseil du 17 de février 1899, a été attribué à la province en échange partiel de certaines terres dont le titre avait été attribué à la province comme terrains marécageux, mais étant des sections impaires incluses dans la réserve de la ligne mère de chemin de fer Canadien du Pacifique, cette compagnie réclama priorité de droit à ces terres, et un arrangement fut effectué avec la province par lequel le titre fut recédé au Dominion afin que les lettres patentes fussent émises à la Compagnie du chemin du fer Canadien du Pacifique. Par arrêté en conseil daté le 4 de juin 1902, le titre à certaines terres additionnelles fut attribué à la province sous ce chef. L'étendue totale recédée à la province sous ce chef est de 6,547.76 acres (recédées au Dominion par des arrêtés en conseil provinciaux datés le 26 juin 1894, et 28 août 1901), et l'étendue totale cédée à la province en échange est de 6,611.48 acres, indiquant un excédent d'étendue cédée à la province sous ce chef (tel qu'énoncé dans le dit arrêté en conseil daté le 4 juin 1894) de 63.72 acres, et il fut convenu que cet excédent d'étendue serait porté au crédit de la province à compte du prochain échange.

Le Ministre représente que, à compte de l'échange mentionné dans le dit arrêté daté le 17 de février 1899, il a été cédé à la province par arrêté en conseil daté le 18 d'août 1899 une étendue de 26,098.29 acres, et par arrêté en conseil daté le 26 mai 1900 une étendue totale de 31,378.10 acres, et par le dit arrêté du 26 mai 1900, il fut décrété que le titre à certaines terres qui n'avaient pas encore été arpentées et qui avaient été réservées par le dit arrêté en conseil du 17 février 1899, pour être offertes à la province relativement à ces échanges, serait attribué à la province lorsque ces terres seraient arpentées. En vertu de l'*Acte des réserves forestières*, passé dans le cours de la dernière session du parlement fédéral, quelques-unes de ces terres ne sont pas transférables, étant situées dans la Réserve forestière de la Montagne du Canard.

L'étendue totale actuellement transférable à la province des terres réservées pour offrir à la province par le dit arrêté en conseil du 17 février 1899, est de 13,137 acres, et sont les terres dans la liste A ci-jointe. L'addition de cette étendue de 13,137 acres aux étendues données plus haut comme ayant été déjà cédées à la province sous ce chef indique qu'il reste encore une balance de 4,305.73 acres à trouver quelque part pour compléter l'étendue qui revient à la province à compte de ces échanges.

L'état de compte précité du dit arrêté en conseil daté le 17e jour de février 1899, devrait être aujourd'hui comme ci-dessous :—

TERRAINS MARÉCAGEUX, MANITOBA.

Etat quant aux échanges jusqu'au 1er de janvier 1907.

Réserve des bois d'épinette blanche.

Etendue totale des terres transférées à la province comme terrains marécageux, mais plus tard recédées par la province au Dominion pour la susdite réserve..	25,466.39

Terres situées ailleurs qu'au Manitoba.

Etendue totale des terres transférées à la province comme terrains marécageux ou à compte de terrains marécageux, mais recédées au Dominion par la province pour des homesteads (sauf dans les cas où il y a eu compensation pour ces terres par le transfert à la province d'une étendue équivalente, et sauf l'étendue recédée pour les Galiciens dans le district de Brokenhead).....	3,590.48
Etendue totale recédée pour les Galiciens dans le district de Brokenhead.....	3,528.88
Etendue de terres choisies par les Commissaires des terrains marécageux de temps à autre (jusqu'à la fin de la saison de 1896), mais non disponibles pour transfert au Manitoba, ayant été soit inscrites pour homesteads soit concédées ou autrement disposées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	42,397.09
	74,982.84
Ajouter étendue (sections impaires) transférées à la province dans la Réserve de la ligne mère du chemin de fer Canadien du Pacifique, mais recédées au Dominion afin que des lettres patentes fussent émises à la Compagnie du chemin de fer Canadien du Pacifique....	6,547.76
	81,530.60

En compensation la province a reçu des terres comme ci-dessous :—

	Acres.
Par A. C. 18 août 1899 (Liste B)	25,098.29
" " 26 mai 1900 (Liste A)	11,881.10
" " " " (Liste B)	8,000.16
" " " " (Liste C)	5,210.80
" " " " (Liste B)	6,286.04
Ajouter l'étendue de terres transférables à la province et que l'on propose aujourd'hui de transférer à la province, étant une partie des terres décrites dans le dit arrêté en conseil du 26 mai 1900, comme devant être transférées à la province une fois arpentées.....	13,137.00
	70,613.39
Ajouter l'étendue cédée à la province par arrêté en conseil du 15 mai 1894, (5,971.48) et arrêté en conseil du 4 juin 1902, (640) à compte des terres recédées pour la Compagnie du chemin de fer Canadien du Pacifique.....	6,611.48
	77,224.87
Etendue requise pour clore cet échange avec la province.....	4,305.73
Total.....	81,530.60 81,530.60

Le Ministre recommande donc que le titre à toutes les terres dans la dite liste "A" soit attribué à Sa

Majesté le Roi Edouard Sept, pour les fins de la province du Manitoba, à compte des dits échanges, et que la province reçoive une autre étendue de 4,305.73 acres pour clore les échanges dont il est question aux présentes, à même les terres fédérales disponibles dans la province du Manitoba.

Le comité soumet ce qui précède à l'approbation.

JOHN McGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 14e jour de janvier 1907.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un mémorandum daté le 5 de janvier 1907, du ministre de l'Intérieur, soumettant,—relativement à certaines terres couvrant une étendue collective de 85,569.82 acres, et spécialement décrites dans la liste "A" lesquelles furent incluses dans des rapports conjoints datés antérieurement au 1er de janvier 1907, des Messieurs Wagner et Crawford, les commissaires chargés de faire un choix de terrains marécageux dans la province du Manitoba à être octroyées à la province en vertu des dispositions de l'article 4 du chapitre 47 des Statuts revisés du Canada, les dits rapports étant daté respectivement le 16 février 1888, 22 décembre 1888, 26 janvier 1891, 15 mars 1892, 19 février 1894, 15 décembre 1894, 31 mars 1896, 23 février 1896, et 31 décembre 1896,—que lorsque le ministre de l'Intérieur eut à s'occuper de ces terres dans l'intention de transférer à la province celles des terres que les dits commissaires prononçaient libres et disponibles pour cet objet, selon les dossiers du ministère, l'on s'aperçut que les terres comprises dans la liste "A" n'étaient pas disponibles pour être transférées parce qu'elles n'étaient pas arpentées ou qu'elles étaient comprises dans des concessions de coupes de bois, ou pour d'autres raisons.

Le Ministre dit que l'arpentage de celles de ces terres qui n'étaient pas arpentées ayant été complété, et les droits acquis en vertu de concessions de coupes de bois, étant éteints, et les raisons pour lesquelles le transfert n'avait pas été fait dans les autres cas étant de nul effet pour empêcher le transfert, il semble ne plus exister de raison pour quoi ces terres ne seraient pas immédiatement transférées à la province.

Le Ministre recommande donc que le titre aux dites terres énumérées dans la liste "A" soit attribué à Sa Majesté le Roi Edouard VII, pour les fins de la province du Manitoba, en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada.

Le comité soumet ce qui précède à l'approbation.

JOHN J. McGEE,
Greffier du Conseil privé.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00

5. Lorsqu'un bill a pour objet d'augmenter les pouvoirs de contracter des emprunts d'une compagnie sans aucune augmentation du capital social, la taxe supplémentaire sera de $300.00.

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué,

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt,* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

Who, after having communicated to each other their respective full powers, which were found in due and proper form, have agreed to and concluded the following Articles :—

ARTICLE I.

The following crimes are added to the list of crimes numbered one to ten in the first Article of the said Convention of the twelfth of July, one thousand eight hundred and eighty-nine, and to the list of crimes numbered eleven to thirteen in Article I of the Supplementary Convention concluded between the United States and Great Britain on the thirteenth December, one thousand nine hundred, that is to say :—

PRESENTATIONS AT COURTS.

LADIES from the Colonies who possess the requisite qualifications are at present by His Majesty the King's Commands, presented at Court by the Countess of Crewe, acting on behalf of the Countess of Elgin whose health will not permit her to attend Courts.

Ladies who are thus officially presented must be the wives or daughters of persons who have either held appointments of high rank in the public service of a Colony, or who, though not belonging to the public service are members of legislative bodies, or otherwise possess the requisite social standing in a Colony, and who really belong to, and are usually resident in, a Colony. Ladies who themselves belong by birth to a Colony but who are married to gentlemen belonging to and residing in the United Kingdom do not fall within the category of those who can be officially presented by the Countess of Crewe.

If a colonial lady is the daughter of a lady who has already herself been presented the presentation should, if possible, be made by the latter lady. Ladies who are presented at a Court by the Countess of Crewe can at the same or any subsequent Court present their daughters with the permission of the Lord Chamberlain, to whom they must make application for this purpose.

Ladies belonging to Colonies which are represented in this country by High Commissioners or Agents General should make their applications to be presented by the Countess of Crewe through the High Commissioner or Agent General representing their own Colony, who should notify them with their own recommendations to the Private Secretary, Colonial Office. The application must state the full name of the lady and the name, rank, in public service or profession and social position of the husband of the applicant, or if she has no husband, of her father, and that, to the knowledge of the High Commissioner or Agent General the lady is in every respect eligible for presentation to Their Majesties.

Each application should state the date, or approximate date, as e. g. "the first Court after Easter," of the Court at which it is desired that the presentation should be made. The dates of the Courts are seldom fixed till within a few weeks before they take place, but as a general rule there are two Courts before Easter and two at the end of May or in June, as there is a limit to the number of ladies who can be presented at each Court, it will be convenient that the names of ladies from the Colonies who wish to be presented should be sent in as early in the year as possible.

The permit shall specify the quantity of lumber to be cut thereunder, and, as the object of this regulation is to provide

3. Timber cut under the authority of subclause "*a*" of clause 1 of this Order in Council shall be subject to the payment of dues at the rates fixed by paragraph "*c*" of section 2 of the Regulations established by Order in Council of the 1st July, 1898. Any other timber cut under the authority of this Order in Council shall be subject to the payment of the dues for the classes of timber so cut which are fixed by regulations heretofore established by Order in Council for the granting of permits.

4. The permittee shall keep such accounts and records of his operations under the permit as the Minister of the Interior may from time to time direct, and such accounts and records shall at all times be open to inspection by the timber agent or forest ranger, or by any person thereunto authorized by the Minister of the Interior.

5. The permittee shall,—

(*a*) prevent any unnecessary waste of timber in the process of cutting it ;

(*b*) prevent all avoidable destruction of growing trees which are not of the kind, or have not yet attained the dimension, or are not suitable for the purpose described in the permit ; and

(*c*) exercise strict and constant supervision to prevent the origin and spread of fire, and comply, during the term of the permit and of any renewal thereof, with any and all regulations made in that respect by the Governor in Council, and with any and all laws and regulations in that respect in force in any province or territory in which the land covered by the permit is situated.

6. Failure to comply with any of the terms or conditions under which a permit issue shall render the same liable to forfeiture on the order of the Minister of the Interior.

RODOLPHE BOUDREAU,
37–4 Acting Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of February, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 12th February, 1907, from the Minister of Marine and Fisheries, stating that the Yale and New Westminster Pilotage District was divided and new districts created, one called the Pilotage Authority of the District of Vancouver and the other the Pilotage Authority of the District of New Westminster. The Commissioners of the Vancouver Pilotage District adopted the by-laws of the Yale and New Westminster Pilotage Authority, with the exception of some amendments which were submitted to the Justice Department and considered in accordance with The Pilotage Act. The amendments were approved by Order in Council, but it is the opinion of the Department of Justice that the by-laws as a whole should be approved and be published in the *Canada Gazette*.

The Minister therefore recommends that the whole of the by-laws as submitted by the Vancouver Pilotage Authority be approved and that the Order in Council of the 19th January, 1907, be cancelled as the by-laws and regulations have become a new set of by-laws for the Pilotage Authority of Vancouver.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
Acting Clerk of the Privy Council.

(37) West coast of Vancouver island — Tsusiat and Seven Mile creek — Lookouts and shelter stations established.

Shelter sheds have been established by the Government of Canada at Tsusiat and Seven Mile creek on the west coast of Vancouver island. These sheds are connected by telephone with the Government telegraph line to Victoria, and watchmen are maintained at them to promptly report vessels in danger within sight of the stations, and to render assistance in case of shipwreck.

The shelter shed at Tsusiat is located on the headland immediately west of the " remarkable waterfall " marked on the chart.

The Seven Mile creek shelter shed is on the prominent headland east of the creek.

Lat. N. 48° 34′ 20″

Shipwrecked mariners will find shelter and food at the shed, as well as telephone communication with Victoria and Banfield creek. The watchman will advise them as to the best means of reaching civilization.

So far as known there is no good landing near either station, and landing from a small boat except under unusually favourable conditions of weather would probably be dangerous.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties ; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called " the respondent. "

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information :—

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Chambellan,
Lord Sandhurst,
Lord Reay,
Lord Tweedmouth,
M. McKenna.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1906, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le douzième jour d'avril, mil neuf cent cinq, entre Sa Majesté et le Président des Etats-Unis d'Amérique, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, et des possessions britanniques au delà des mer, Empereur des Indes, et le Président des Etats-Unis d'Amérique, désirant étendre la liste des crimes pour lesquels l'extradition peut être consentie en vertu des traités conclus entre les Etats-Unis et la Grande-Bretagne le douzième jour de juillet mil huit cent quatre-vingt-neuf, et le treizième jour de décembre mil neuf cent, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans leurs territoires et juridictions respectifs, ont résolu de conclure un traité supplémentaire à cette fin et ont nommé pour leurs plénipotentiaires, savoir :

Et le Président des Etats-Unis, l'honorable Joseph Hodges Choate, ambassadeur extraordinaire et plénipotentiaire des Etats-Unis près la cour de Sa Majesté Britannique.

Lesquels, après s'être communiqué réciproquement leurs pleins pouvoirs, reconnus en bonne et due forme, sont convenus des articles suivants :—

ARTICLE I.

Les crimes ci-dessous énumérés sont ajoutés à la liste des crimes numérotés de un à dix dans le premier article du dit traité du douzième jour de juillet mil huit cent quatre-vingt-neuf, et à la liste des crimes numérotés de onze à treize dans l'article I du traité supplémentaire conclu entre les Etats-Unis et la Grande-Bretagne le treizième jour de décembre mil neuf cent, savoir :—

14. Corruption, c'est-à-dire, offrir, donner ou recevoir des présents ou de l'argent dans le but de corrompre, déclaré acte criminel d'après les lois des deux pays.

15. Délits contre la loi des faillites déclarés criminels par les lois des deux pays.

ARTICLE II.

Le présent traité sera censé former partie intégrante des dits traités d'extradition du douze de juillet mil huit cent quatre-vingt-neuf et du treizième jour de décembre mil neuf cent, et le premier article du dit traité du douze juillet mil huit cent quatre-vingt-neuf se lira comme si les listes des crimes y contenus avait originairement compris les crimes additionnels spécifiés et numérotés quatorze et quinze dans le premier article du présent traité.

Le présent traité sera ratifié et les ratifications seront échangées soit à Washington soit à Londres aussitôt que possible.

Le présent traité sera exécutoire dix jours après sa publication en conformité des lois des hautes parties contractantes, et il restera en vigueur et expirera de la même manière que le dit traité du douze de juillet mil huit cent quatre-vingt-neuf.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, ce douzième jour d'avril 1905.

[L.S.] LANSDOWNE,
[L.S.] JOSEPH H. CHOATE.

Et attendu que les ratifications de la dite Convention ont été échangées à Washington, le vingt-neuvième jour de décembre mil neuf cent six,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour de février mil neuf cent sept, les dits actes s'appliqueront dans le cas des Etats-Unis et du dit traité avec le Président des Etats-Unis d'Amérique.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

39-3 A. W. FITZROY.

PRÉSENTATIONS À LA COUR.

LES dames des colonies qui possèdent les qualités requises sont aujourd'hui, par ordre de Sa Majesté le Roi, présentées à la cour par la comtesse de Crewe, en remplacement de la comtesse d'Elgin, dont la santé l'empêche d'assister à la cour.

Les dames qui sont ainsi présentées officiellement, doivent être les épouses ou les filles de personnes qui ont été nommées à de hautes fonctions dans le service public d'une colonie ou qui, bien que ne faisant pas partie du service public, sont membres de corps législatifs, ou autrement possèdent le rang social voulu dans une colonie et qui, de fait, appartiennent et résident généralement dans une colonie. Les dames qui appartiennent à une colonie par droit de naissance, mais sont mariées à des gentilshommes appartenant et résidant dans le Royaume-Uni, ne tombent pas dans la catégorie de celles qui peuvent être officiellement présentées par la comtesse de Crewe.

Si une dame d'une colonie est la fille d'une dame qui elle-même a déjà été présentée, la présentation, si c'est possible, doit être faite par cette dernière. Les dames qui sont présentées à une cour par la comtesse de Crewe peuvent, à la même cour ou à une cour subséquente, présenter leurs filles, avec la permission du Lord Chambellan, auquel elles doivent s'adresser à cette fin.

Les dames qui appartiennent à des colonies qui sont représentées dans ce pays par des Hauts Commissaires ou des Agents Généraux, doivent demander à être présentées par la comtesse de Crewe, par l'entremise du Haut Commissaire ou de l'Agent Général représentant leur propre colonie, qui doit les prévenir que leurs propres recommandations ont été adressées au Secrétaire Privé, Bureau des Colonies. La demande doit indiquer le nom au long de la dame, et le nom, le rang, dans le service public ou la profession et la position sociale de l'époux de la dame qui demande à être présentée, ou si elle n'a pas d'époux, de son père, et indiquer aussi que, à la connaissance du Haut Commissaire ou de l'Agent Général la dame est, à tous égards, digne d'être présentée à Leurs Majestés.

Chaque demande doit énoncer la date, ou date approximative, tel que " la première cour après Pâques " de la cour à laquelle on désire que la présentation ait lieu. Les dates des cours ne sont le plus souvent fixées que quelques semaines avant qu'elles aient lieu, mais règle générale il y a deux cours avant Pâques, et deux à la fin de mai ou juin ; vu que le nombre des dames qui peuvent être présentées à chaque cour est restreint il convient que les noms des dames des colonies qui désirent être présentées soient envoyés aussitôt que possible durant l'année.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil d'ordonner, que cette partie de l'arrêté en conseil du 16 de mai 1906 qui modifie les règlements concernant l'octroi de licences et de permis pour couper du bois de construc-

tion sur les terres fédérales, établis par arrêté en conseil du 1er de juillet 1898, à l'effet d'admettre que des permis soient accordés sans concurrence pour couper du bois de construction sur des étendues n'excédant pas un mille carré,—soit et il est par le présent rescindé, et remplacé par ce qui suit :—

1. Dans les provinces du Manitoba, Saskatchewan et Alberta, le ministre de l'Intérieur pourra—

(*a*) accorder aux propriétaires de scieries la permission d'abattre du bois de construction sur des étendues de terre n'excédant pas un mille carré dans chaque cas, y compris l'emplacement de la scierie, moyennant paiement d'avance d'un droit de cent piastres ($100), et à la condition que le permissionnaire ait une scierie en opération sur l'étendue couverte par le permis sous trois mois à compter de la date du permis. Le permis spécifiera la quantité de bois de construction qui pourra être coupée en vertu d'icelui, et, vu que l'objet du présent règlement est de procurer un approvisionnement de bois aux colons, cette quantité doit être suffisante, de l'avis du ministre de l'Agriculture, pour justifier l'octroi du privilège.

(*b*) accorder des permis d'abattre du bois pour servir de combustible, de perches de clôture ou de poteaux de télégraphe, sur des étendues de terre ne devant excéder le quart d'un mille carré dans chaque cas, moyennant paiement d'avance d'un droit de vingt-cinq piastres ($25), pourvu—

(*a*) que personne ne pourra obtenir plus qu'un permis à la fois ;

(*b*) qu'un permis ne sera pas transférable ;

(*c*) qu'un permis ne sera pas pour un plus long temps qu'une année ;

(*d*) qu'un permis ne sera renouvelable que pour l'année ensuivante, et pour ce renouvellement il faudra payer le droit fixé par le présent comme payable avant la délivrance du permis.

2. Le permissionnaire devra, immédiatement à l'expiration de la période pour laquelle le permis est accordé, le transmettre à l'agent des bois du district, accompagné d'un état du bois abattu, cet état sera attesté par serment par lui ou par son agent ou employé bien au fait des opérations faites en vertu du permis, et, si le permis est renouvelé, il devra, immédiatement à l'expiration de la période pour laquelle il est renouvelé, le transmettre à l'agent des bois du district, accompagné d'un état comme susdit ; et il fera, de temps à autre, tant que durera le permis ou son renouvellement, tels autres états, attestés comme susdits, que le ministre de l'Intérieur exigera.

3. Le bois abattu en vertu du paragraphe (*a*) de la clause 1 du présent arrêté en conseil sera assujéti au paiement de droits au taux fixé par le paragraphe (*c*) de l'article 2 des règlements établis par l'arrêté en conseil du 1er de juillet 1898. Tout autre bois abattu en vertu du présent arrêté en conseil sera soumis aux droits fixés par arrêté en conseil pour les espèces de bois ainsi abattu.

4. Le permissionnaire tiendra les comptes et les registres de ses opérations en vertu du permis que le ministre de l'Intérieur prescrira, et ces comptes et registres seront en tous temps ouverts à l'inspection de l'agent des bois ou du garde-forestier, ou de toute autre personne autorisée à cet effet par le ministre de l'Intérieur.

5. Le permissionnaire devra—

(*a*) empêcher tout gaspillage du bois durant l'abattage ;

(*b*) empêcher toute destruction inutile du bois debout qui n'est pas de l'espèce, ou n'a pas atteint la grosseur, ou ne convient pas aux fins décrites dans le permis ; et

(*c*) exercer une surveillance stricte et constante pour prévenir l'origine et la propagation des feux, et devra se conformer, tant que durera le permis et tout renouvellement d'icelui, à tous les règlements établis à cet égard par le Gouverneur en conseil, et à toutes les lois et tous règlements à cet égard en vigueur dans toute province ou tout territoire dans lequel est située la terre couverte par le permis.

6. Tout défaut de se conformer aux termes ou conditions auxquels un permis est délivré, rendra ce permis passible de confiscation sur l'ordre du ministre de l'Intérieur.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. 2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

AVIS est donné par le présent qu'une demande sera adressée au parlement du Canada, à sa présente session, afin d'obtenir un acte constituant en corporation une compagnie sous le nom de " The Prudential Life Insurance Company of Canada ", autorisée à faire des opérations d'une compagnie d'assurance sur la vie dans toutes ses branches.

WHEREAS by the Extradition Acts, 1870 to 1906, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, His Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that His Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of His Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient ;

His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, and the President of the United States of America, being desirous of enlarging the list of crimes on account of which extradition may be granted under the Conventions concluded between the United States and Great Britain on the twelth July, one thousand eight hundred and eighty-nine, and the thirteenth December, one thousand nine hundred with a view to the better administration of justice and the prevention of crime in their respective territories and jurisdictions, have resolved to conclude a Supplementary Convention for this purpose and have appointed as their Plenipotentiaries, to wit :—

The following crimes are added to the list of crimes numbered one to ten in the first Article of the said Convention of the twelfth of July, one thousand eight hundred and eighty-nine, and to the list of crimes numbered eleven to thirteen in Article I of the Supplementary Convention concluded between the United States and Great Britain on the thirteenth December, one thousand nine hundred, that is to say :—

15. Offences, if made criminal by the laws of both countries, against bankruptcy law.

Article II.

of the United States and of the said Convention with the President of the United States of America.

PRESENTATIONS AT COURTS.

LADIES from the Colonies who possess the requisite qualifications are at present by His Majesty the King's Commands, presented at Court by the Countess of Crewe, acting on behalf of the Countess of Elgin whose health will not permit her to attend Courts.

Ladies who are thus officially presented must be the wives or daughters of persons who have either held appointments of high rank in the public service of a Colony, or who, though not belonging to the public service are members of legislative bodies, or otherwise possess the requisite social standing in a Colony, and who really belong to, and are usually resident in, a Colony. Ladies who themselves belong by birth to a Colony but who are married to gentlemen belonging to and residing in the United Kingdom do not fall within the category of those who can be officially presented by the Countess of Crewe.

If a colonial lady is the daughter of a lady who has already herself been presented the presentation should, if possible, be made by the latter lady. Ladies who are presented at a Court by the Countess of Crewe can at the same or any subsequent Court present their daughters with the permission of the Lord Chamberlain, to whom they must make application for this purpose.

Ladies belonging to Colonies which are represented in this country by High Commissioners or Agents General should make their applications to be presented by the Countess of Crewe through the High Commissioner or Agent General representing their own Colony, who should notify them with their own recommendations to the Private Secretary, Colonial Office. The application must state the full name of the lady and the name, rank, in public service or profession and social position of the husband of the applicant, or if she has no husband, of her father, and that, to the knowledge of the High Commissioner or Agent General the lady is in every respect eligible for presentation to Their Majesties.

Each application should state the date, or approximate date, as e. g. "the first Court after Easter," of the Court at which it is desired that the presentation should be made. The dates of the Courts are seldom fixed till within a few weeks before they take place, but as a general rule there are two Courts before Easter and two at the end of May or in June, as there is a limit to the number of ladies who can be presented at each Court, it will be convenient that the names of ladies from the Colonies who wish to be presented should be sent in as early in the year as possible.

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LES ETATS-UNIS.

Château de Buckingham, 11 février 1807.

AU Château de Buckingham, le 11e jour de février 1907.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Chambellan,
Lord Sandhurst,
Lord Reay,
Lord Tweedmouth,
M. McKenna.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1906, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le douzième jour d'avril, mil neuf cent cinq, entre Sa

Majesté et le Président des Etats-Unis d'Amérique, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, et des possessions britanniques au delà des mer, Empereur des Indes, et le Président des Etats-Unis d'Amérique, désirant étendre la liste des crimes pour lesquels l'extradition peut être consentie en vertu des traités conclus entre les Etats-Unis et la Grande-Bretagne le douzième jour de juillet mil huit cent quatre-vingt-neuf, et le treizième jour de décembre mil neuf cent, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans leurs territoires et juridictions respectifs, ont résolu de conclure un traité supplémentaire à cette fin et ont nommé pour leurs plénipotentiaires, savoir :

Sa Majesté Britannique, le très honorable Henry Charles Keith Petty-Fitzmaurice, marquis de Lansdowne, Principal Secrétaire d'Etat de Sa Majesté pour les Affaires étrangères ;

Et le Président des Etats-Unis, l'honorable Joseph Hodges Choate, ambassadeur extraordinaire et plénipotentiaire des Etats-Unis près la cour de Sa Majesté Britannique.

Lesquels, après s'être communiqué réciproquement leurs pleins pouvoirs, reconnus en bonne et due forme, sont convenus des articles suivants :—

ARTICLE I.

Les crimes ci-dessous énumérés sont ajoutés à la liste des crimes numérotés de un à dix dans le premier article du dit traité du douzième jour de juillet mil huit cent quatre-vingt-neuf, et à la liste des crimes numérotés de onze à treize dans l'article I du traité supplémentaire conclu entre les Etats-Unis et la Grande-Bretagne le treizième jour de décembre mil neuf cent, savoir :—

14. Corruption, c'est-à-dire, offrir, donner ou recevoir des présents ou de l'argent dans le but de corrompre, déclaré acte criminel d'après les lois des deux pays.

15. Délits contre la loi des faillites déclarés criminels par les lois des deux pays.

ARTICLE II.

Le présent traité sera censé former partie intégrante des dits traités d'extradition du douze de juillet mil huit cent quatre-vingt-neuf et du treizième jour de décembre mil neuf cent, et le premier article du dit traité du douze juillet mil huit cent quatre-vingt-neuf se lira comme si les listes des crimes y contenus avait originairement compris les crimes additionnels spécifiés et numérotés quatorze et quinze dans le premier article du présent traité.

Le présent traité sera ratifié et les ratifications seront échangées soit à Washington soit à Londres aussitôt que possible.

Le présent traité sera exécutoire dix jours après sa publication en conformité des lois des hautes parties contractantes, et il restera en vigueur et expirera de la même manière que le dit traité du douze de juillet mil huit cent quatre-vingt-neuf.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, ce douzième jour d'avril 1905.

[L.S.] LANSDOWNE,
[L.S.] JOSEPH H. CHOATE.

Et attendu que les ratifications de la dite Convention ont été échangées à Washington, le vingt-neuvième jour de décembre mil neuf cent six,—

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour de février mil neuf cent sept, les dits actes s'appliqueront dans le cas des Etats-Unis et du dit traité avec le Président des Etats-Unis d'Amérique.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé " Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

39–3 A. W. FITZROY.

PRÉSENTATIONS À LA COUR.

LES dames des colonies qui possèdent les qualités requises sont aujourd'hui, par ordre de Sa Majesté le Roi, présentées à la cour par la comtesse de Crewe, en remplacement de la comtesse d'Elgin, dont la santé l'empêche d'assister à la cour.

Les dames qui sont ainsi présentées officiellement, doivent être les épouses ou les filles de personnes qui ont été nommées à de hautes fonctions dans le service public d'une colonie ou qui, bien que ne faisant pas partie du service public, sont membres de corps législatifs, ou autrement possèdent le rang social voulu dans une colonie et qui, de fait, appartiennent et résident généralement dans une colonie. Les dames qui appartiennent à une colonie par droit de naissance, mais sont mariées à des gentilshommes appartenant et résidant dans le Royaume-Uni, ne tombent pas dans la catégorie de celles qui peuvent être officiellement présentées par la comtesse de Crewe.

Si une dame d'une colonie est la fille d'une dame qui elle-même a déjà été présentée, la présentation, si c'est possible, doit être faite par cette dernière. Les dames qui sont présentées à une cour par la comtesse de Crewe peuvent, à la même cour ou à une cour subséquente, présenter leurs filles, avec la permission du Lord Chambellan, auquel elles doivent s'adresser à cette fin.

Les dames qui appartiennent à des colonies qui sont représentées dans ce pays par des Hauts Commissaires ou des Agents Généraux, doivent demander à être présentées par la comtesse de Crewe, par l'entremise du Haut Commissaire ou de l'Agent Général représentant leur propre colonie, qui doit les prévenir que leurs propres recommandations ont été adressées au Secrétaire Privé, Bureau des Colonies. La demande doit indiquer le nom au long de la dame, et le nom, le rang, dans le service public ou la profession et la position sociale de l'époux de la dame qui demande à être présentée, ou si elle n'a pas d'époux, de son père, et indiquer aussi que, à la connaissance du Haut Commissaire ou de l'Agent Général la dame est, à tous égards, digne d'être présentée à Leurs Majestés.

Chaque demande doit énoncer la date, ou date approximative, tel que " la première cour après Pâques " de la cour à laquelle on désire que la présentation ait lieu. Les dates des cours ne sont le plus souvent fixées que quelques semaines avant qu'elles aient lieu, mais règle générale il y a deux cours avant Pâques, et deux à la fin de mai ou juin ; vu que le nombre des dames qui peuvent être présentées à chaque cour est restreint il convient que les noms des dames des colonies qui désirent être présentées soient envoyés aussitôt que possible durant l'année.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil d'ordonner, que cette partie de l'arrêté en conseil du 16 de mai 1906 qui modifie les règlements concernant l'octroi de licences et de permis pour couper du bois de construction sur les terres fédérales, établis par arrêté en conseil du 1er de juillet 1898, à l'effet d'admettre que des permis soient accordés sans concurrence pour couper du bois de construction sur des étendues n'excédant pas un mille carré,—soit et il est par le présent rescindé, et remplacé par ce qui suit :—

1. Dans les provinces du Manitoba, Saskatchewan et Alberta, le ministre de l'Intérieur pourra—

(*a*) accorder aux propriétaires de scieries la permission d'abattre du bois de construction sur des étendues de terre n'excédant pas un mille carré dans chaque cas, y compris l'emplacement de la scierie, moyennant paiement d'avance d'un droit de cent piastres ($100), et à la condition que le permissionnaire ait une scierie en opération sur l'étendue couverte par le permis sous trois mois à compter de la date du permis. Le permis spécifiera la quantité de bois de construction qui pourra être coupée en vertu d'icelui, et, vu que l'objet du présent règlement est de procurer un approvisionnement de bois aux colons, cette quantité doit être suffisante, de l'avis du ministre de l'Agriculture, pour justifier l'octroi du privilège.

(*b*) accorder des permis d'abattre du bois pour servir de combustible, de perches de clôture ou de poteaux de télégraphe, sur des étendues de terre ne devant excéder le quart d'un mille carré dans chaque cas, moyennant paiement d'avance d'un droit de vingt-cinq piastres ($25), pourvu—

(*a*) que personne ne pourra obtenir plus qu'un permis à la fois ;

(*b*) qu'un permis ne sera pas transférable ;

(*c*) qu'un permis ne sera pas pour un plus long temps qu'une année ;

(*d*) qu'un permis ne sera renouvelable que pour l'année ensuivante, et pour ce renouvellement il faudra payer le droit fixé par le présent comme payable avant la délivrance du permis.

2. Le permissionnaire devra, immédiatement à l'expiration de la période pour laquelle le permis est accordé, le transmettre à l'agent des bois du district, accompagné d'un état du bois abattu, cet état sera attesté par serment par lui ou par son agent ou employé bien au fait des opérations faites en vertu du permis, et, si le permis est renouvelé, il devra, immédiatement à l'expiration de la période pour laquelle il est renouvelé, le transmettre à l'agent des bois du district, accompagné d'un état comme susdit ; et il fera, de temps à autre, tant que durera le permis ou son renouvellement, tels autres états, attestés comme susdits, que le ministre de l'Intérieur exigera.

3. Le bois abattu en vertu du paragraphe (*a*) de la clause 1 du présent arrêté en conseil sera assujéti au paiement de droits au taux fixé par le paragraphe (*c*) de l'article 2 des règlements établis par l'arrêté en conseil du 1er de juillet 1898. Tout autre bois abattu en vertu du présent arrêté en conseil sera soumis aux droits fixés par arrêté en conseil pour les espèces de bois ainsi abattu.

4. Le permissionnaire tiendra les comptes et les registres de ses opérations en vertu du permis que le ministre de l'Intérieur prescrira, et ces comptes et registres seront en tous temps ouverts à l'inspection de l'agent des bois ou du garde-forestier, ou de toute autre personne autorisée à cet effet par le ministre de l'Intérieur.

5. Le permissionnaire devra—

(*a*) empêcher tout gaspillage du bois durant l'abattage ;

(*b*) empêcher toute destruction inutile du bois debout qui n'est pas de l'espèce, ou n'a pas atteint la grosseur, ou ne convient pas aux fins décrites dans le permis ; et

(*c*) exercer une surveillance stricte et constante pour prévenir l'origine et la propagation des feux, et devra se conformer, tant que durera le permis et tout renouvellement d'icelui, à tous les règlements établis à cet égard par le Gouverneur en conseil, et à toutes les lois et tous règlements à cet égard en vigueur dans toute province ou tout territoire dans lequel est située la terre couverte par le permis.

6. Tout défaut de se conformer aux termes ou conditions auxquels un permis est délivré, rendra ce permis passible de confiscation sur l'ordre du ministre de l'Intérieur.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en ma propre si cela est possible, à la personne contre laquel e le divorce sera demandé, ci-après appelée "part e défenderesse".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en mai propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour ne suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

AVIS est donné par le présent qu'une demande sera adressée au parlement du Canada, à sa présente session, afin d'obtenir un acte constituant en corporation une compagnie sous le nom de " The Prudential Life Insurance Company of Canada ", autorisée à faire des opérations d'une compagnie d'assurance sur la vie dans toutes ses branches.

MILITIA TRAINING 1907 08.

The following units of the active militia will assemble for twelve days' training in camps of instruction at the places and on the dates herein specified ; but no squadron of cavalry, company of garrison artillery, infantry or rifles will be allowed to proceed to a camp of instruction unless it has on its strength at least one qualified officer.

In the event of a unit proceeding to camp short of officers, such vacancies as exist may be filled from the Corps Reserve of each unit, and, so far as the artillery is concerned, from ammunition columns and park also, provided the authorized training establishment is not exceeded.

Before Artillery details are allowed to proceed to gun practice the Inspecting Officer at Annual Training will be required to report to the O.C. the Command or District, as a result of his inspection, whether they have attained that state of efficiency as to enable them to carry out practice.

No officer or man will, therefore, be permitted to attend gun practice who has not attended annual training that year.

THE SENATE.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties ; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PRÉSENTS :

Sa Très Excellente Majesté le ROI,
Le lord Président,
Le lord Chambellan,
Lord Sandhurst,
Lord Reay,
Lord Tweedmouth,
M. McKenna.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 à 1906, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le douzième jour d'avril, mil neuf cent cinq, entre Sa Majesté et le Président des Etats-Unis d'Amérique,

pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté le Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande, et des possessions britanniques au delà des mer, Empereur des Indes, et le Président des Etats-Unis d'Amérique, désirant étendre la liste des crimes pour lesquels l'extradition peut être consentie en vertu des traités conclus entre les Etats-Unis et la Grande-Bretagne le douzième jour de juillet mil huit cent quatre-vingt-neuf, et le treizième jour de décembre mil neuf cent, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans leurs territoires et juridictions respectifs, ont résolu de conclure un traité supplémentaire à cette fin et ont nommé pour leurs plénipotentiaires, savoir :

Les crimes ci-dessous énumérés sont ajoutés à la liste des crimes numérotés de un à dix dans le premier article du dit traité du douzième jour de juillet mil huit cent quatre-vingt-neuf, et à la liste des crimes numérotés de onze à treize dans l'article I du traité supplémentaire conclu entre les Etats-Unis et la Grande-Bretagne le treizième jour de décembre mil neuf cent, savoir :—

14. Corruption, c'est-à-dire, offrir, donner ou recevoir des présents ou de l'argent dans le but de corrompre, déclaré acte criminel d'après les lois des deux pays.

15. Délits contre la loi des faillites déclarés criminels par les lois des deux pays.

ARTICLE II.

Le présent traité sera censé former partie intégrante des dits traités d'extradition du douze de juillet mil huit cent quatre-vingt-neuf et du treizième jour de décembre mil neuf cent, et le premier article du dit traité du douze juillet mil huit cent quatre-vingt-neuf se lira comme si les listes des crimes y contenus avait originairement compris les crimes additionnels spécifiés et numérotés quatorze et quinze dans le premier article du présent traité.

Le présent traité sera ratifié et les ratifications seront échangées soit à Washington soit à Londres aussitôt que possible.

Le présent traité sera exécutoire dix jours après sa publication en conformité des lois des hautes parties contractantes, et il restera en vigueur et expirera de la même manière que le dit traité du douze de juillet mil huit cent quatre-vingt-neuf.

En foi de quoi les soussignés ont apposé leurs signatures et leurs sceaux à la présente Convention.

Fait à Londres, ce douzième jour d'avril 1905.

[L.S.] LANSDOWNE,
[L.S.] JOSEPH H. CHOATE.

Et attendu que les ratifications de la dite Convention ont été échangées à Washington, le vingt-neuvième jour de décembre mil neuf cent six,—

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," y resteront en vigueur, et pas plus longtemps.

2. Si un soldat rentre dans les troupes permanentes après plus d'un ans après sa libération, et déclare son service antérieur au moment de son rengagement, l'officier commandant fera rapport après trois mois de service si l'homme est sous tous rapports un bon soldat, et s'il mérite de compter son service passé pour augmentation de paie. Ou être renvoyé comme incapable, ou, à la demande de l'homme même.
